
THE BEQUIA MISSION

189 River Lane, Box 11, Warsaw, Ontario, Canada, K0L 3A0

Purpose: To advance and support Christianity, Education and Social Service in Bequia and the Windward Islands

April 24, 1997

Dear Friends;

It is with much regret and a deep sense of loss that we must tell you that our dear friend June Armstrong died April 12th at her son's home in Barrie, Ontario. As many of you know, June's health was failing rapidly over the winter, forcing her to return to Canada earlier than planned. June was an inspiration to all who knew her and will be greatly missed.

You may ask the question, what will happen to the Bequia Mission? Well we're not sure. What we do know is that it will continue to serve the people of Bequia, St Vincent, and the Grenadines. There are too many students who rely on us for assistance in financing their education. Amos Hanson still needs our help to provide a salary and transportation. The Sunshine school needs our financial help. And we can still do a lot for the folks at the Lewis Punnet Home. The list goes on and on.

An open meeting of directors, corporation members, and friends of the Bequia Mission will be held on May 10th in Warsaw, ON. With God's help and direction, we will seek answers to the form our work will take this year in the Windward Islands.

A newsletter reporting on Mission activities over the past winter months and our plans for the future will be issued shortly after this meeting.

We seek your prayers for guidance and direction on May 10th.

May God bless you,

Sincerely,

Rod McComb, President
